

Title:	Employee Survey
Implementation	
Field(s) of Action:	* Structural Integration of Gender Equality
Objectives:	<ul style="list-style-type: none">* Evaluate the structural integration policy* Gain information on gender-inclusive/gender-sensitive issues* Explore the organisational culture of the company* Get an insight on the reconciliation of private and work life
Target Group(s):	Management and leadership Employees at the organisation
Description:	Each employee is surveyed about their current situation and individual needs. The results of this survey can be used to generate a more gender sensitive organisation as well as to develop measures on gender equality. The survey is especially aimed at exploring the needs of women and family.
