

The GENERA PAM Tool

- Find indicators to specify targets and to monitor change

- select first level target

- Removing barriers to the recruitment and career progression of female researchers (ERA target)

- Address gender imbalances in decision making processes (ERA target)

- Strengthen the gender dimension in research programmes (ERA target)

- Further targets & measures (non ERA)

For which first level target do you want to find indicators?

To go back and select an other task click on .
