The GENERA PAM Tool

PAM

Task – Find measures to improve on Gender equality in your institution

T1 → select first level target

T – Removing barriers to the recruitment and career progression of female researchers (ERA target)

T – Address gender imbalances in decision making processes (ERA target)

T – Strengthen the gender dimension in research programmes (ERA target)

T – Further targets & measures (non ERA)

Which first level target do you want to address with your GE measures?

To go back and select an other task click on Task.
