The GENERA PAM Tool

PAM

- Find measures to improve on Gender equality in your institution

- Removing barriers to the recruitment and career progression of female researchers

- Equal opportunities for career progression for male and female researchers

- Supporting the reconciliation between work and private life / care responsibilities

Where do you want to become active?

Supporting reconciliation

2025/10/04 09:47 3/5 The GENERA PAM Tool

Potential activities	Examples for measures	Indicators related to the activity	Indicators related to the target = Indicators to measure changes
Working hours	Reasonable working hours, limited overtime Holiday and vacation policies Moving meetings to care hours Availability and equal treatment of part-time positions Job sharing	Overtime is limited (yes/no) Holiday and vacation policies in place (yes/no) Meetings are held in care hours (yes/no) Job sharing is available (yes/no) Our institution communicates that job sharing is possible (yes/no) [GENDER-NET] Our institution collects gender disaggregated data on the usage of job sharing (yes/no) [GENDER-NET] # of researchers sharing a job	

Researchers who have reduced working hours due to care for family members
 Part-time employment rate of male and female researchers
 Child care options offered/supported

Potential activities	Examples for measures	Indicators related to the activity	Indicators related to the target = Indicators to measure changes
Providing information	Information events Websites to bundle and disseminate relevant information Dissemination of a guide on the work-life balance measures available	# events held # participants, by sex Website created and running (yes/no)Guide exists (yes/no) Guide disseminated to all staff (yes/no)	
Support for researchers caring for elderly people	Agreements with geriatric institutes	Agreements exist (yes/no)	-
Career/Parent-friendly workplaces	Establishment of a nursing room "With-Children-Offices"	Nursing room established (yes/no)	-
Facilitating better reconciliation	Telework Flexible working-hours Event for employees to discuss work organization and reconciliation	Telework is possible (yes/no) Our institution communicates that teleworking is possible (yes/no) [GENDER-NET] Our institution collects gender disaggregated data on the usage teleworking (yes/no) [GENDER-NET] # and % of researchers practicing telework Flexible working-hours are possible (yes/no) # events held # participants, by sex	
Working contracts	Individually drafted contract agreements Contracts take major life events into account (e.g. childbirth)	Contract agreements can be individually drafted (yes/no) Contracts take major life events into account (yes/no) [EFFORTI D3.3 ¹¹]	
Provision of childcare	Childcare during school vacations Align crèche vacations to university vacations Childcare facilities More posts at the state day care Availability of childcare during work-related events (e.g. conferences, workshops)	Childcare is available during vacations (yes/no) Aligned vacations (yes/no) Childcare facilities are available on campus (yes/no) # of post available Ratio posts : needed posts Childcare is offered during work- related events (yes/no)	
Financial support for childcare	Support grants for researchers with care responsibilities Mobility allowance Funding support for childcare in emergencies	Support grants are available (yes/no) Mobility allowance available (yes/no) # of people using the reimbursement / support grants, by sex	
Parental leave & management of career breaks	Parental leave cover/replacement Active management of career breaks "Father quota" for parental leaves Individual work time models to combine parental leave with occupational activity Career reintegration programmes for women coming back after pregnancy (e.g. relief from teaching and/or administrative duties) Personnel talk before maternity/parental leave (Exit talks) [FESTA ²] Personnel talk after maternity/parental leave (Re-entry talks) [FESTA ³] Sabbatical leave	Our institution collects gender disaggregated data on the usage of leave (maternity, paternity, adoption, parental/family, sabbatical) (yes/no) [GENDER-NET] Parental leave cover is offered (yes/no) Researchers using the leave cover, by sex "father quota" for parental leaves exists (yes/no) Individual work time models are offered (yes/no) Researchers using individual work time models, by sex Exit / Re-entry talks are practiced (yes/no) [FESTA®] of researchers in maternity/parental leave that had an exit talk of researchers coming back from maternity/parental leave that had a re-entry talk Sabbatical leave is possible (yes/no) Our institution communicates that sabbatical is possible (yes/no) [GENDER-NET] Measures to support return (after leave) (yes/no) Our institution communicates measures to support return (yes/no) [GENDER-NET] Our institution collects gender disaggregated data on the usage of measures to support return (yes/no) [GENDER-NET]
