

<b>Title:</b>	<b>Dual Career Service</b>
<b>Implementation</b>	
<b>Field(s) of Action:</b>	* Flexibility, Time and Work Life
<b>Objectives:</b>	<ul style="list-style-type: none"> <li>* Compatibility of family and career</li> <li>* Career promotion</li> <li>* Recruitment</li> </ul>
<b>Target Group(s):</b>	High level scientists
<b>Description:</b>	In order to attract the best scientists and academics, the Max Planck Society supports the welcome culture by means of concrete measures at different institutes. The Max Planck Society works closely with companies in regional networks and offers services to support partners of scientists in their search for an appropriate job at a new location. The aim is to increase the Max Planck Society's attractiveness in the competition for the best scientists and contributes to equal opportunities for women and men as well as to the better compatibility of family and career.
