Title:	**Employee Survey**
Implementation	
Field(s) of Action:	* Structural Integration of Gender Equality
Objectives:	* Evaluate the structural integration policy * Gain information on gender-inclusive/gender-sensitive issues * Explore the organisational culture of the company * Get an insight on the reconciliation of private and work life
Target Group(s): **|Management and leadership Employees at the organisation| |Description: **|Each employee is surveyed about their current situation and individual needs. The results of this survey can be used to generate a more gender sensitive organisation as well as to develop measures on gender equality. The survey is especially aimed at exploring the needs of women and family.|** |More information:**	Fraunhofer-Gesellschaft (Germany) http://www.gender-diversity-toolbox.de/
