Title:	Gender-inclusive / Gender-neutral Language
Implementation	
Field(s) of Action:	* Gender-inclusive/Gender-sensitive Organisational Culture
	* Structural Integration of Gender Equality
	* Engaging Leadership
Objectives:	* Gender awareness and Bias * Non-discrimination
Target Group(s):	Management and Leadership Employees
Description:	In the Max Planck Society, gender-inclusive language is used in all documents and announcements. In consequence, gender-inclusive/gender-neutral language is used in all internal and public, written and oral, digital and analogue Max Planck documents and announcements. The form in which this happens can be chosen flexible: Formulation options include: * Formulating the female and male form, * Use of Asterisk (*), * Use of neutral forms The gender asterisk "*" is unambiguous in language and avoids misunderstandings, presents all sexes adequately, contributes to equal rights for all genders and a respectful approach to gender equality, is short and comfortable and target-group-oriented.
