<b>Objectives:</b>	<ul style="list-style-type: none"> <li>* Sensitization for gender topics</li> <li>* Raising gender awareness</li> <li>* Working with gender diversity</li> </ul>
<b>Target Group(s):</b>	Management and Leadership All employees; workshop for both genders but also separated
<b>Description:</b>	The Fraunhofer Institute has implemented workshops and seminars in the context of gender equality/gender mainstreaming/gender awareness held by external instructors or trained staff. The goal was to develop a personal and differential position on gender diversity. The institute wants to achieve an open-minded environment. Many organisations offer workshops like this and enable companies/universities to take the first steps to gender equality.
