

Title:	Girl´s Day- Girl´s Future Day
Implementation	
Field(s) of Action:	* Presence and Visibility * Gender Dimension in Research and Education
Objectives:	* Recruitment * Encourage young girls to consider jobs in science and technology * Discover young talents and support those
Target Group(s):	Pupils Girls (ages 9-17)
Description:	Companies in technology and science as well as universities/colleges offer projects, workshops and guided tours especially designed for girls to inspire interest in science and technology. Fields of science or jobs qualify to be part of a Girl´s Day event if the current rate of women is below 40% (in Germany). Girl´s Day events are coordinated and advertised by a national body. Organisations can get in contact with this body if they are interested in offering Girl´s Day activities. Girl´s Days are held each year since 2001. Many girls have chosen a career in STEM fields after taking part in Girl´s Day activities.
