

<b>Title:</b>	<b>Girl´s Day- Girl´s Future Day</b>
<b>Implementation</b>	
<b>Field(s) of Action:</b>	* Presence and Visibility * Gender Dimension in Research and Education
<b>Objectives:</b>	* Recruitment * Encourage young girls to consider jobs in science and technology * Discover young talents and support those
<b>Target Group(s):</b>	Pupils Girls (ages 9-17)
<b>Description:</b>	Companies in technology and science as well as universities/colleges offer projects, workshops and guided tours especially designed for girls to inspire interest in science and technology. Fields of science or jobs qualify to be part of a Girl´s Day event if the current rate of women is below 40% (in Germany). Girl´s Day events are coordinated and advertised by a national body. Organisations can get in contact with this body if they are interested in offering Girl´s Day activities. Girl´s Days are held each year since 2001. Many girls have chosen a career in STEM fields after taking part in Girl´s Day activities.
