Title: **|Mentorat Releve| |Implementation|**  | |Field(s) of Action:|**@#A9BCF5: * Presence and Visibility**| |Objectives:|**Provide professional guidance and advice for female scientific researchers.**| |Target Group(s): |**Advanced doctoral students and researchers in transitional part of their career looking to pursue a career in academia.**| |Description: |**Junior researchers in sciences work with a mentor for a year through meetings. They also have three collective sessions for the whole program. The aim is to have roughly 20 researchers at pivotal stages in their career participating in order to receive advice and support in strengthening their professional resume. This is done with an individual UNIGE female professor as a mentor as well as themed meetings concerning the steps of an academic career and presenting their research.**| |More information:**	University of Geneva, Switzerland mentorat@unige.ch http://www.unige.ch/rectorat/egalite/programmes/mentorat-releve/
