Title: **|PRIMA| |Implementation|**  **| |**Field(s) of Action:**|@#D0A9F5: * Gender Dimension in Research and Education| |**Objectives:**|Give a way in for senior female researchers aiming towards a professorship in Switzerland.| |**Target Group(s):** **|Female researchers looking for a professorship in Switzerland|** |Description: **|PRIMA is a source of funding for remarkable female researchers who are looking for a professorship in Switzerland. The beneficiaries of this funding will direct their own research project at a Swiss institution. They will conduct this project with complete autonomy and their own team.** **Candidates must have a PhD or an equivalent, in general consisting of at least three years of research after graduating from university or an official exam with value equivalent to a doctorate. They must then have two years' experience on top of their doctorate and apply for the program between two and ten years of receiving their doctorate.** **The duration of this funding is a maximum of five years to cover the salary of the beneficiary as well as the possibility of temporary work abroad and a network of mentors. This allows the researchers to strengthen their academic profile to be competitive professor candidates.** **It is planned to make up to 12 positions available per year.|** |More information:**	Fonds National Suisse de la Recherche Scientifique (Switzerland) Contact: prima@snf.ch Website: http://www.snf.ch/fr/encouragement/carrieres/prima/Pages/default.aspx#
