

<b>Title:</b>	<b>Regulars' table at KIT</b>
<b>Implementation</b>	
<b>Field(s) of Action:</b>	<ul style="list-style-type: none"> <li>* Presence and Visibility</li> <li>* Gender Dimension in Research and Education</li> </ul>
<b>Objectives:</b>	<ul style="list-style-type: none"> <li>* Promotion of technical and natural scientific studies and careers</li> <li>* Recruitment of female scientists</li> <li>* Creating interest in science</li> </ul>
<b>Target Group(s):</b>	PhD students, PhD candidates and research assistants Postdocs and mid-career scientific personnel Professors
<b>Description:</b>	One of the results of the Gender-in-Physics Day at the KIT was a “Stammtisch” (regulars' table), which has been already implemented by KIT. For this purpose, female physicists have joined forces and collected contact information of female scientists of their institutions and invited them to a “Stammtisch”. It offers a place for women in physics for discussions prior to the scientific career, informal exchange about problems and solutions and possibilities of networking.
