Title:	Regulars' table at KIT
Implementation	
Field(s) of Action:	* Presence and Visibility
	* Gender Dimension in Research and Education
Objectives:	* Promotion of technical and natural scientific studies and careers * Recruitment of female scientists * Creating interest in science
Target Group(s):	PhD students, PhD candidates and research assistants Postdocs and mid-career scientific personnel Professors
Description:	One of the results of the Gender-in-Physics Day at the KIT was a "Stammtisch" (regulars' table), which has been already implemented by KIT. For this purpose, female physicists have joined forces and collected contact information of female scientists of their institutions and invited them to a "Stammtisch". It offers a place for women in physics for discussions prior to the scientific career, informal exchange about problems and solutions and possibilities of networking.
