Title: **|Sign up! Career building programme for female postdocs| |Implementation|  | |Field(s) of Action:|**@#A9BCF5: * Presence and Visibility** | |Objective:|*** Support of individual career plans**| |Target Group(s): |**Female Postdocs**| |Description: |**The Max Planck Society, in collaboration with EAF Berlin - a network which advises politics and industry on promoting equal opportunities, diversity and work-life balance - has developed the programme "Sign Up! Careerbuilding" for female postdocs. In this programme, the postdocs** *** develop leadership skills,** *** are prepared for leadership responsibilities in science, and** *** are supported through a career-orientated network.** **The aim is the support of female scientists in the phase of orientation during their scientific career and the support of their individual career plans. Candidates must be nominated by a director of the Max Planck Society. The program includes three seminar modules of 3 to 4 days that offer personal skill training and provide information on scientific career building.**| |More information:**	Max-Planck-Gesellschaft e.V.
