

Title:	TeamUp - programme
Implementation	
Field(s) of Action:	* Presence and Visibility * Gender Dimension in Research and Education
Objectives:	* Support of female STEM-students * Create a network
Target Group(s):	Students (undergraduate and graduate) Female STEM-students
Description:	TeamUp is a programme created by female STEM-students to support other female STEM-students. Participants organize regular meetings to discuss current issues of their studies or career planning. Students of higher semesters assist and encourage younger students. TeamUp also organises career-conventions to connect young women with companies and research institutes. It cooperates with teaching staff at the university of applied sciences Karlsruhe.
