

<b>Title:</b>	<b>Technology Needs Diversity - Technology Needs You!</b>
<b>Implementation</b>	
<b>Field(s) of Action:</b>	* Presence and Visibility
<b>Objectives:</b>	* Inform young girls about studying of STEM fields and about STEM-students everyday life * Encourage young girls to study STEM
<b>Target Group(s):</b>	Pupils Girls (ages 15-18), prospective students
<b>Description:</b>	The project is aimed at girls in grade 9-13 who are interested in studying technology, computer science, natural sciences, and engineering sciences. Participants can take part in the four-month group mentoring programme that also includes a practical workshop. They can be informed about different fields of study, various career paths, and faculties and gain an insight into students' everyday life. There is also a parents' information event for parents and girls. Female students contribute to this event by talking about their choice of course and their studies.
