Title: **|Women in Physics LinkedIn| |Implementation|**  **| |**Field(s) of Action:**|@#A9BCF5: * Presence and visibility| |**Objectives:**|* To promote women physicists' networks * To give visibility to women physicists in professional networks| |**Target Group(s): |Women researchers| |**Description: **|The American Physical Society has created a space on Linkedin to promote and connect the profiles of women physicists in order to improve their presence and visibility in professional networks. To create this kind of network is easy and requires no budget. Just to coordinate the "friend requests". European "women in physics linkedins" could be connected to the APS "women in physics linkedin" strengthening their impacts in a few, simple, online steps.| |**More information:**	American Physical Society (USA) Website: https://www.aps.org/programs/women/index.cfm
