Title:	Parental leave with occupational activity - work time models
Implementation	
	* Structural Integration of Gender Equality
1	* Gender-inclusive / Gender-sensitive Organisational Culture
	* Flexibility, Time and Work Life
Objective:	Return to work after parental leave
Target Group(s):	All target groups (except Pupils) All employees with children
Description:	This measure enables employees to have individual work time models adapted to their individual needs. It provides parental leave in combination with telework and part-time placements.  This is a way of participating in the work and research progress, although they cannot do their work fulltime.  After the announcement of the pregnancy there will be an individual counselling.
