

Title:	PME Child Care Service
Implementation	
Field(s) of Action:	* Flexibility, Time and Work Life
Objective:	* Childcare and Elderlycare
Target Group(s):	Employees
Description:	The Max Planck Society has a family service company under contract that places people in charge of looking after children up to the age of 14 - regardless of whether they are babysitters, au-pairs or short-term emergency care. Assistance is also offered in nursing care for the elderly. This applies also to employees, who travel to a meeting and need someone to take care of the child, need care during the holidays or permanent care.
